

Transportation System Plan 2035 Anticipated Project List Amendments for UGB Expansion

Beyond 20 years:

B-1	Upgrade Airport Road from Highway 99 to the UGB, consistent with minor arterial standards including provision of two travel lanes, bike lanes, center median or a center turn lane, sidewalks and planting strips on both sides of the road
------------	---

Urbanization of existing streets:

MM-17	Upgrade Clear Lake Road consistent with City of Eugene design standards, including provision of two travel lanes, center turn lane, sidewalks on both sides of the road, and planting strips	Terry Street to Highway 99	1.0	\$5.1M
MM-18	Extend Terry Street to Clear Lake Road consistent with major collector standards, including provision of two travel lanes, center turn lane, sidewalks on both sides of the road, and planting strips	Existing Terry Street to Clear Lake Road	.5	\$4.3M

To be completed upon development:

UD-16	Extend Terry Street consistent with major collector standards, including provision of two travel lanes, center turn lane, sidewalks on both sides of the road, bike lanes and planting strips	Clear Lake Road to Airport Road	0.8	\$8.7M
UD-17	Extend Theona Drive consistent with neighborhood collector standards, including provision of two travel lanes, sidewalks on both sides of the road, bike lanes, and alternating planting strips/parking bays	Highway 99 to Terry Street	0.8	\$5.7M
